- 1.) All registrants applying for sliding scale tuition fees must provide copies of the household tax return from the current year.
- 2.) Registration for classes is seasonal. Once tuition fees are determined, the fee will stand for the duration of the season as long as students are enrolled and attending classes. Should enrollment change from term to term, the revised tuition fee will reflect the scale within which applicant applies and has been accepted.
- 3.) All tuition is due before classes begin.
- 4.) There will be no pro-ration of tuition for absence from classes.
- 5.) Installments are due by the 10th of each month and are non refundable.
- 6.) A late fee of \$10 will be assessed on all accounts over seven days delinquent. The account will be charged an additional \$10 each week there after until account is paid in full.
- 7.) Unpaid or delinquent accounts will amount to restriction from classes after one month of delinquency.
